PLEASE READ THIS FULLY BEFORE SENDING YOUR ENTRY

COVID 19 – The Final Instructions issued to each competitor will notify you of any subsequently issued Covid 19 or official announcements made regarding this event.

IMPORTANT - UK competitors who do not have a full ACU Road Race or Sprint licence are able to race under an ACU one day, single event, competition licence, which can be purchased from Marshals North West with your entry application. **ONE DAY, SINGLE EVENT LICENCES ARE NOT AVAILABLE TO RIDERS AGED 70 AND OVER.** These riders will need a full Road Race or Sprint licence. If you require a full licence, please apply to the ACU in good time to receive your full licence as you will need to produce this on the day of the sprint. If you need a unique code to apply for your full ACU competition licence then please contact myself ASAP at Marshals North West can provide these for our paid up members.

STARTER ROLLERS - Please note that as in previous years, Marshals North West will provide starter rollers however they require a vehicle to power them. Riders are welcome to use the starter rollers but must provide a vehicle if they wish to use them. Please note that Marshals North West will not be providing a vehicle to power the rollers.

OVERNIGHT PADDOCK ARRANGEMENTS - Please note that we are still having the same Saturday free overnight paddock parking with the gate being open **from 3pm on Saturday and locked at 9pm.** Please email me and let me know if you are stopping overnight.

ENTRY TICKETS will not be issued for this event, entry will be via a register of rider entries held at the gate. Solo riders will be entitled to entry along with 2 guests (3 Tickets), three wheeler competitors will be entitled to entry along with 3 guests (5 Tickets).

DOGS - Please note that **dogs are not permitted** anywhere at this event. If dogs are found in your vehicle upon entry, you will be asked to leave without any refund of your entry fee.

DRONES – The use of **drones is not permitted.** During a previous event there were delays to the meeting while the officials attempted to ascertain the owners of a drone which is not permitted under our ACU permit.

RUN WHAT YOU BRUNG - Due to current ACU Hill climb and Sprint regulations, road legal machines have to be separated for classification purposes and run under “Run what you brung”. These machines must be road registered, taxed & MOT'd for use on the public highway. Riders will not see a difference in the awards per cc class or how the sprint is run, however it is required that the road legal and race machines have to be separated on the entry form.
